## 1971

Having lettered in five different sports, Ric Carl was a rare athlete at York High School. More significantly, he excelled in them all. Championships and All-star Teams were part of his experience throughout his years at York.

- Key member of the first State Baseball Championship Team in 1971.
- Went 3 for 4 with 2 RBI's in the 1971 State Championship Baseball game.
- Member of the 1969 Class D State Championship Team in Football.
- Member of the 1969 Western Maine Class L Basketball Championship Team.
- Named to the League All-Star Team in baseball, basketball, and football.
- Long after graduation, Ric continued to have an impact on York sports as one of the parents to spearhead the drive to bring wrestling to York High School.
- Volunteered to erect the lights on the athletic field with the aid of a co-worker from CMP.
