

# STEVE HOWE

Steve was a multi-sport athlete during his time at York High School, but it was on the football field where he truly excelled. He was a two-way starter for three years straight, demonstrating his athletic prowess. Despite his talent, Steve served as a modest and quiet role model for all the athletes who played alongside him.

- Steve finished his football career as the leading all-time tackler in York history and holds the 2nd place record for single season tackles at 117
- He was a 4-year starter on defense as a linebacker and a 3-year starter at fullback on offense
- In his junior and senior years, he averaged 13 tackles per game
- Named MVP, his coach, Ted Welch, described him as the best tackler he ever worked with
- Videos of Steve were shown to YHS football players to demonstrate the proper way to tackle
- 3-Time selection to Maine Football All-Seacoast Team and SYSSA All-Conference Team
- Selected to Foster's Daily Democrat 1984 Dream Team (NH & ME high school athletes)
- Steve participated in Outdoor Track for 4 years and was a member of the 1985 State Championship Track Team
- Steve coached football at YHS for three years after his graduation. From 2000 to 2017, he volunteered as a spotter at games

**Class of 1985**
